Subject: RE: Internal EPA coordination re: Florida 404 assumption

Let's go forward with our normal call at 11 today. Heather Mason at FDEP wrote me saying they wanted to pick back up MOA discussions on our 3:00 call later today. She indicated they believe it is still premature to discuss the package. She also asked if we had additional topics we'd like to discuss so she can have the correct people on the phone. Currently FDEP only plans to have Heather and Stephanie Gray on the call.
